REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims 1 and 9 now include the allowable limitation from claim 6. The prior art fails to teach claws as mounting means as well as having a spacing formation on the support that spaces the beam of the wiper a predetermined distance from the support structure. Quinlan et al. teaches a spacing formation on the support however, as stated in a previous office action, Quinlan fails to teach claws as the mounting means for the support. It would not have been obvious to change the mounting means of Quinlan for claws since there is no teaching of a support structure with claws comprising a spacing formation on the bottom.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Shay L Balsis whose telephone number is 571-272-1268. The examiner can normally be reached on 7:30-5:00 M-Th, alternating F.
